## Environmental Control Units

# Sway™ Single Wireless

**Simple, affordable,  
1 to 1 control of  
household devices!**

Sway Single Environmental Control Unit offer wireless access to a variety of individual household devices. Accessible via one or two switches, the Sway Single is designed to deliver independence in a way that's easy to use, and easy to afford.

With AbleNet Wireless technology built-in, Sway Single works with your favorite switches - all from up to 30 feet away, with no line-of-sight required.

### KEY FEATURES:

- Small design mounts easily with Velcro® and AbleNet plates
- Two switch jacks for Step, Auto, or Two-Switch scanning access
- Adjustable scan/dwell rate and auditory feedback with mute
- Intuitive navigation buttons for caregiver access to all features
- Rechargeable lithium-ion battery
- AbleNet Wireless - reliable up to 30 feet without pointing.
- Create free symbol overlays at [ablenetinc.com/pogo](http://ablenetinc.com/pogo)
