**Warranty and FCC Information**

**Warranty/Repair/Return Information**

AbleNet manufactured products include a two-year limited warranty. This warranty is against defects in materials and manufacturing for two years from the date of purchase. Warranty in full text, along with repair information is available at www.ablenetinc.com.

**FCC**

Note: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna
- Increase the separation between equipment and receiver
- Contact AbleNet technical support at techsupport@ablenetinc.com or (800) 322-0956
